October Quarterly Report (8/21/08-9/30/08)

Dear Mr. Hilland:

This letter is in response to your Request for Additional Information dated November 25, 2008. You raised concerns about several contributions that were dated after the primary election yet were designated for the primary period. Upon review of these aforementioned contributions, the Committee has discovered that the contributions received from Emad Al-Zaben and Gino Nahum were both erroneously designated for the primary period. The Committee has corrected these contributions to properly designate them to the general election period. These changes are reflected on the amended October Quarterly Report.

Regarding the contribution from Massachusetts Mutual Life Insurance PAC this check was payable to and reported by Meeks for Congress. The contribution was dated and postmarked on September 9, 2008, which was the date of the Primary Election in New York. This contribution was properly designated to the primary period and therefore was reported correctly.

Thank you.

Sincerely,

Patsy A. Simmons
Treasurer
